Speaker Presentations from 43rd Navy Occupational Health and Preventive Medicine Workshop Now Available on NEHC Workshop Website

Presentations and handouts from any speakers or presenters who shared an electronic version of their materials from the 43rd Navy Occupational Health and Preventive Medicine Workshop in Chesapeake, VA last month have been posted on the Workshop website at: http://www-nehc.med.navy.mil/Workshop04/WS04_Presentations.htm

Call For Presentations for the 44th Navy Occupational Health and Preventive Medicine Workshop

Abstracts are being solicited for presentations for the 44th Navy Occupational Health and Preventive Medicine Workshop, to be held in the February/March 2005 timeframe in the Hampton Roads area of Virginia. The purpose of the workshop is to provide opportunities for professional and technical personnel from military, federal, state, local and academia to share information, discuss common problems, identify needs, and develop a course of action to improve Navy programs. Our vision is to provide high quality Medical, Bioenvironmental and Health Promotion learning opportunities in a stimulating atmosphere for scientific inquiry. Papers for presentations are sought on all areas of Occupational Health and Preventive Medicine, including Health Promotion.

The abstract submission deadline will be 1 September 2004. Further information regarding abstract submission will soon be available on the NEHC Workshop website at www.nehc.med.navy.mil. If you would like more information about submitting an abstract for Health Promotion, contact NEHC Health Promotion Training staff at HP-Training@nehc.mar.med.navy.mil.

NEHC Health Promotion Awards Criteria Input

NEHC staff is looking for input regarding the criteria for the NEHC Command Excellence in Health Promotion Awards. The Year 2004 award criteria will be updated and posted on the NEHC Website by 1 June 2004. The Year 2003 Award criteria is still posted on our website for reference. Several individuals have already shared their ideas, but if anyone else would like to provide input, please send your comments to: HP-Training@nehc.mar.med.navy.mil by Monday, 17 May.

"If I am walking with two other men, each of them will serve as my teacher. I will pick out the good points of the one and imitate them, and the bad points of the other and correct them in myself." -Confucius

US Army Force Health Protection Conference

The US Army is hosting its 7th Annual Force Health Protection Conference in Albuquerque, NM 8-12 August 2004. The conference theme is "Force Health Protection Supporting Military Transformation." Organized into ten tracks, including a Behavioral Health Track, a Community and Population Health Track, and an Occupational and Preventive Medicine Track, the conference will offer several

FORCE HEALTH PROTECTION

sessions relevant to Navy Health Promotion professionals. For information regarding registration, and the agenda for the conference go to: <https://usachppm.apgea.army.mil/fhp>
