Identify a sentinel STD such as chlamydia and compare rates over time (Surveillance Subcommittee)	15 Nov 00	1. Designated Service representatives: Army: LTC Peterson AF: LtCol Vieira MC: Ms. Ficadenti CG: Ms. Brannan USN: CDR Brumit	1 Mar 01: Completed majority of strategy 1a.
		1b. Each Service representative on the STDPC Education Sub-	15 Dec 00	1 Mar 01: Completed majority of strategy 1b.		

Goal	Objective	Strategy	Metrics	Time Frame	Responsibility	Progress
<ul style="list-style-type: none"> <li>Enlisted</li> </ul>	<p>2. Draft a recommendation to Health Affairs for STD Education Policy for DOD based on current programs (DoD Instruction??)</p>	<p>committee will have a copy of the lesson plan (if there is one) used at each of the levels identified in goal #1.</p> <p>1c. The STDPC Education Sub-committee will review the lesson plans and make recommendations for targeted interventions.</p>	<p>4. Review self-reported data for risk behavior trends (DoD Survey of Health Related Behaviors, HEAR, etc.) <b>(R C.3.,C.4.)</b></p> <p>5. Adopt HP 2010 Objectives for HIV, pending approval of HP Directive</p>	<p>TBD</p> <p>Apr 01 to draft policy Jul 01 for policy signatures</p>		<p>1 Mar: Review of lesson plans demonstrate minimal targeted education and no outcome measures, standardization, or reference to subject matter experts conducting training (strategy 1b. and 1c.)</p> <p><b>Actions:</b></p> <p>1. LTC Peterson will summarize the data collected by Services. 2. The Committee will devise and recommend broad objectives for each of the five targeted interventions before the next meeting. Action: Mr Heaston</p>

Goal	Objective	Strategy	Metrics	Time Frame	Responsibility	Progress
<p><b>2. Define and Implement a process to train instructors and ensure quality education (R B.2.)</b></p>	<p>1. Specify in Service regulations how this will occur, e.g., specify who/what agency within each Service will establish training standards for HIV.</p> <p>2. Each Service will appoint an HIV/AIDS prevention education POC</p>	<p>1. ID current policies</p>	<p>1. Evaluate efficacy of various educational approaches</p>	<p>April 1, 2001 to draft policy</p>	<p>Each Service</p>	<p>1 Mar 01: Following review of current HIV education, there appears to be few policies designating responsibility for HIV prevention education. The committee recommends that each Service clarify responsibility for HIV training, to include specifying the subject matter experts and sources of support. (Note: DODD 6485.1, March 1991 specified that each Service appoint an HIV coordinator for education activities)</p>

Goal	Objective	Strategy	Metrics	Time Frame	Responsibility	Progress
<p><b>3. Integrate HIV and STD prevention education into existing Health Promotion Programs (R B.4.)</b></p>	<p>Establish formal responsibility for inclusion of sexual health into HP programs</p>	<p>1. Await revision of DoD Health Promotion Directive 1010.10</p> <p>2. Incorporate HIV and STD prevention education, aka, sexual responsibility, into Service Health Promotion Instructions/Regs</p> <p>3. Coordinate with similar programs on sexual health, e.g., Unintended Pregnancy/Fatherhood Program</p>		<p>April 1, 2001 to draft policy</p> <p>Revised: pending review of draft HP Directive</p>	<p>Members are to review HP 2010 Objectives for HIV and STD for applicability to the military.</p> <p>Ms. Ficadenti will coordinate with Lynn Pahland at HA on progress of staffing the draft</p>
