

Pt Name: _____
 FMP/last 4: _____
 Date: _____
 Provider: _____

Audiologist HC Super Bill

Referring Provider: _____

****Note:** Some of the extensions that appear after the root code may not be an option in your CHCS system at this time.
 They have been approved and will be available for use as system upgrades occur.
 If the extensions are not yet available, just use the root code. Example: root code = V70.5, root code with extension = V70.5__0*.
